If there is one race you ever participate in during your racing career, the Budweiser / Novi Can-Am Cup in Harbor Beach, Michigan, is one race you should experience. The whole weekend with the Can-Am Cup highlighting the many great activities makes it truly an epic event. It's fun for the entire family with live bands on the beach, fireworks, camping on beautiful Lake Huron, food tent, vendor tents, Drawings, jet-ski racing, and several children activities.

Supercross on Water! Awe, the Budweiser / Novi Can-Am Cup. As you stand on the line next to your ski as the National Anthem is played your heart starts to pound as you realize you are in one of the biggest races of the country, and with out a doubt will be one of the most enjoyable races you participate in of your career. The riders are announced one by one for their parade lap in front of the 5,000 spectators. Now it's your turn. You fire up your ski and head to pier for your parade lap. As you ride past all those spectators you realize there are tons of people there to watch a Jet-Ski Race and at that moment they are all looking at you! You come back to the line and get ready for the start of your race. As you put your goggles on and fire up your ski it seems like slow motion as the 2 card goes high in the air. You hear the rumble of 19 other ski's as each are started and cleaned out. This is it. You then turn to the starter as your heart feels like it's going to burst out of your chest and as you look at the starter you now have tunnel vision clearly focused on the starter. You think to yourself, you deserve to be there. You had to qualify to make the main event. You are representing your

country in a race against another country. It's not just another race. This one is special. It's not just about winning; it's about the winner being the one who gets to proudly wave the flag of their country in front of the 5,000 spectators that only you can experience. That's what it's all about!

The U.S. Grand National Watercross Championships heads north for the 6th Annual Thumb Watercross Shootout run in conjunction with the 6th Annual Harbor Beach Maritime Festival in Harbor Beach, Michigan. This is definitely the racer's favorite site year after year as the Harbor Beach locals put on an outstanding event and show tremendous hospitality. The event will take place in their Harbor on Lake Huron, and is a perfect site for a watercraft race, and guaranteed to be a lot of fun. The 1,015 foot long pier provides great viewing for the thousands of spectators that come to watch the Midwest's, and Canada's finest watercraft racers.

At this Event some of the finest Watercraft Riders from Canada and the U.S.A. will compete in the popular Budweiser /Novi Can-Am Cup providing Spectators some of the finest Personal Watercraft Racing in the Nation. This Maritime

Festival in Harbor Beach, Michigan has become the 2nd largest spectator Event of Personal Watercraft Racing in the country, second only to the World Championships in Lake Havasu City, Arizona. Over 5,000 spectators will be on hand to watch the Hot Racing Action that weekend making the pier standing room

only. The crowd is electrified Saturday Night during the Budweiser / Novi Can-Am Cup as thousands of spectators wildly cheer for their favorite team. The Ski Class, Junior Ski Stock Class, 800 Runabout Class, and the 1200 Runabout Class make up the 4 Main Events. Nine of the best riders from Canada, and Nine of the best riders from the U.S.A. in each class, compete

for the Overall Team Can-Am Cup. Last year's event was highly successful with riders from each country battling it out for bragging rights, and a piece of the Can-Am Cup. The pier was packed with cheering spectators as they were treated to some hot racing action. Last year's Can-Am Cup was won by the U.S.A., but this year's event promises to be even more exciting as the Canadian's will be coming in full force to take back the Can-Am Cup.

In 2005, Riders started arriving on Thursday morning for the upcoming Weekend Events. There were many riders in attendance last year from; Missouri, Kentucky, North Dakota, Minnesota, Ohio, Illinois, Wisconsin, West Virginia, Michigan, Indiana, Pennsylvania, New York, and Canada. In another popular Event, the 2005 Bud Light – Sea-Doo 3D Invitational had 26 Teams with 104 participants. Over 200 Riders Total competed in last year's 5th Annual Harbor Beach Maritime Festival, making it the 2nd Largest Personal Watercross Racing Event in the Nation.

The weekend festivities gets under way as a growing and popular Event will be taking place on Friday night. The 4th Annual H & R Block / Sea-Doo Invitational will be in full swing as local Personal Watercraft Enthusiasts will compete in Team Competition on the Jacquie Bryant prepared racecourse. Each Team will consist of 4 Riders that will each run 1 lap in a Timed Event. All scored times from each individual of each team will then be calculated, and the Team that has the best overall time will be the H & R Block / Sea-Doo Invitational Champions.

H&R BLOCK

In a single year, the teams increased from 4 Teams in 2002, to 12 Teams total for 2003. In 2004, there were a total of 17 teams and in 2005, there were 26 teams making it the most attended to date. This shows the increasing popularity of such a great event for the entire family. Each Rider ran a lap around the racecourse for time. All 4 Riders then combined their times for an overall Team Time. A lot of participants found out that it is much harder to negotiate buoys around a racecourse than it looks. Each participant was all smiles after their respective run, coupled with the fact they were on a brand new Sea-Doo 3D that was provided by Sea-Doo Motor Corporation.

In 2005, there were several 1st for the Invitational Event. One new change was all the invitational participants got to ride the All-New Sea-Doo 3D. And another new change was the top 6 riders who had the fastest time on Friday night got to participate in the Sea-Doo 3d Ultimate Challenge on Saturday night just prior to the Budweiser / Novi Can-Am Cup. This event was highly successful as the top 6 riders got to battle it out in front of the numerous Can-Am Cup spectators.

Important Information: The race site of all race sites. The Grand Daddy of em all! This is what every rider waits for every year, coming to Harbor Beach, Michigan. Harbor Beach and the Maritime Festival brings out the red carpet every year in welcoming spectators, friends, and family. This is another perfect race site to camp at as the huge refreshment tent open late at night is right next to the grassy pit area. Live Bands Thursday thru Saturday right on the beach adds plenty of entertainment for the weekend. Every year there is a huge spectacular fireworks display from the Lighthouse that dazzles the crowd on Saturday night. Not to mention the outstanding racing action of the Budweiser / Novi Can-Am Cup as the United States Team competes with Canada for the coveted Budweiser / Novi Can-Am Cup. There is no substitute, this is the real deal and as good as it gets. You will find no better race in the country to attend hands down.
